

Nathalie Lazaric

Short bio

I am a French economist recognized among the Top 10-15% authors in France and the EU, and Top 4 % women economists worldwide (Repec). I am CNRS Research Professor in Université Côte d'Azur (France) and visiting professor at Gothenburg University (U-GOT KIES) in Sweden.

Currently I am President of the EAEPE (European Association for Evolutionary Political Economy), chair of many International scientific committees such as International Schumpeter Society and EGOS (European Group Organizational Studies), advisory Editor of Journal of Evolutionary Economics, editor of the Editor of the REPE-Review of Evolutionary Political Economy of and Senior Editor of Organization Science. I am involved in many initiatives towards citizens, scientific debates in the COP 25 and public debates, press, radio and television and I am keen to disseminate and transmit my knowledge and expertise to various audiences.

I have published more than 50 articles in top rank journals, such as Ecological Economics, Organization Science, Industrial and Corporate Change, Research Policy, Journal of Institutional economics, Industry and Innovation, Regional Studies, Journal of Evolutionary Economics, among others. I am involved in several national and European projects on energy consumption, sustainable issues behavioral change and recycling. In France I supervised many projects on sustainable behaviors in electric consumption and I am currently engaged in many field experiments in recycling. My main fields of research include behavioral change, evolutionary theories, organizational routines, habits, sustainable consumption, ecological innovations, smart innovation in energy and mobility, Business models.

Honours, administrative and editorial experiences (2010-present)

2016-today: President of EAEPE (European Association for Evolutionary Economics)

2009-today: editor of the REPE-Review of Evolutionary Political Economy

2003-today: Guest editor for Industrial and Corporate Change, Journal of Evolutionary Economics, JOIE, Organization Science, Revue Economique

2014-today: Advisory Editor for Journal of Evolutionary Economics

2014-2019: Convenor of the standing group «Routines dynamics » EGOS, with Martha Feldman, Luciana d'Adderio and Brian Pentland

2014- 2018: Expert for ANRT (Agence Nationale de Recherche et de Technologie- the French National Association for Research and Technology-) ; ANR (Agence Nationale de recherche -The French National Research Agency) ; ADEME (Agence de l'Environnement et de la Maîtrise de l'Energie Environmental Government Agency for sustainable development-)

2010-present: Reviewer for journals: Industrial and Corporate Change, Organization Science, Academy of Management Journal, Journal of Evolutionary Economics, JOIE, Research Policy, Industry and innovation, Economie Appliquée, RERU, Revue Economique, Cambridge Journal of Economics, Regional Studies, Journal of Management Studies, Structural and Dynamic Change, Industry and Innovation, Journal of Business Research, Economie appliquée, Economies et sociétés, Revue de la Régulation, Revue d'Economie Industrielle

Research grants (principal investigator of research projects -since 2010)

2021-2025: ABSolEU (Paving the way for an ABS recycling revolution in the EU, signed in December 2021, and start June 2022). PI : UCA (Nathalie Lazaric and Nathanael Guigo de l'Institut de Chimie de Nice). HORIZON-CL4-2021-RESILIENCE-01-Project: 101058636 -Partners UCA (PI), CNRS, BIC, LEGO, Volvo Cars, Trinseo, Galloo, RISE, Prospx Institute, Standarder, Jotne (funds : 7 657 022, 00 euros).

2021-2023: BIOLOOP -Laboratory of New BIOsourced Polymers for a Circular Economy-CNRS PRIME TEAM. Partners UMR 5223 IMP (Institut des Matériaux Polymères), and UMR 5206 TRIANGLE, INSA Lyon; Interdisciplinary team with chemists and economists on the issues of recycling biosourced materials. Exploratory project funded by CNRS (20 00 Euros).

2017-2020: SMART LOOK: Learning by looking –uses and diffusion of Energy Monitoring Devices in Monaco, funded by SMEG (Société Monégasque d'Electricité et de gaz) (190 000 euros).

2014-2016: GRECOD2, Inequalities and sustainable consumption with Jean Belin (Université de Bordeaux IV), funded by Ministry of Ecology and Sustainable development.

2011-2013: TICELEC - IT for sustainable behaviours in electric consumption (funded by Région PACA, ADEME, Conseil Général 06).

2010-2013: GRECOD (Groupe de REcherche sur la COnsumption Durable: Une étude des profils de consommation écologiques -Research Group on Sustainable Consumption-), Funded by ADEME with University of Bordeaux IV.
